NOTICE INVITING TENDER

I. INTRODUCTION

1. The Uttar Pradesh Cricket Association (“UPCA”) is a company registered under Section 25 of the Companies Act, 1956 (now Section 8 of the Companies Act, 2013), having its registered office at Kamla Tower, Kanpur, Uttar Pradesh 208 001, India and administrative office at 19, Kamla Club, 84/31, Kalpi Road, Kanpur – Uttar Pradesh – 208012, India. UPCA is a duly affiliated state unit of the Board of Control for Cricket in India (“BCCI”).
2. UPCA has about 34 acres of land at Ghaziabad for the development of the International Cricket Stadium. It is proposed to construct the Boundary Wall with Precast Panels as per the specifications provided in **Schedule II**. Accordingly, UPCA intends to engage a Service Provider to provide the Services as per the specifications provided in **Schedule II**.
3. This Notice Inviting Tender (“NIT”) constitutes an invitation to the Bidders on the terms and conditions set out in this NIT for providing the Services as per **Schedule II**. The Bidders may download this NIT from the website of UPCA at www.upca.tv. As such, the UPCA reserves to right to choose the Bid/tender that it deems best suitable, and the decision of the UPCA shall be final in that regard. Prospective Bids may be rejected at the sole discretion of the UPCA at any time, without assigning any reason whatsoever.
4. The term of the successful bidder shall be for three months and may be extended further at the sole discretion of UPCA. However, UPCA reserves a right to terminate the contract in the event of default/breaches as may be specified in the Agreement to be executed with a successful Bidder.
5. Certain important details and deadlines/ timelines in relation to this NIT are as follows:

In case of items not covered by the general specifications referred to above, a reference shall be made to the appropriate B.I.S. code and the decision of the UPCA shall be final and binding on the contractor.

6. The work is required to be completed within time schedule from the date of issue of the acceptance letter as given below: -

Total period of completion: **04 (Four) months from the 15th day after the date of issue of Letter of Award (LOA).**

7. The contractor shall stick to the final completion date and will be liable to action for any delay due to the contractor as per the Conditions of Contract for stage as well as overall completion of the work.
8. The contractor will be required to establish a field laboratory for work. The setting of a field laboratory for the work is a mandatory requirement. The contractor shall be responsible for setting up laboratory facilities, and equipment and arranging technical manpower at his cost, as directed by UPCA for conducting site/field tests. All the equipment shall be BIS-approved makes and will be checked/ calibrated regularly. All equipment in the laboratory shall be kept in good working conditions. If the contractor fails to provide a field laboratory for new works within one month of commencement of work, it shall attract a penalty of Rs. 25,00,000 per month recoverable from the running bills. In all routine tests, which can be normally done in the field laboratory/in situ, testing charges will be borne by the contractor. In case the contractor fails to conduct field laboratory tests for works than all required tests shall be carried out in the reputed/approved outside laboratory. So far as conducting required tests for upgradation/ repairing works, the same would be carried out in the reputed/approved outside laboratory. The Payment of testing charges for such tests will be borne by the contractor in both cases.
9. The contractor has to produce a Manufacture Test Certificate (MTC) from the manufacturer to UPCA for the cement, steel, bitumen etc, for every consignment procured, failing which no consignment of cement, steel bitumen etc will be accepted by UPCA.
10. A sample of material for testing will be supplied free of cost by the contractor, including its transportation to the approved test houses/laboratory, as directed by UPCA or inspecting officials.
11. It will be the responsibility of the Contractor to arrange all plant & machinery, trucks, vibratory, Road roller, etc, required by him for execution of works. The contractor will also arrange for getting permission (for their use) if required from local or other concerned authorities for use as well as for their transportation to the site. All expenditures incurred in this connection will be borne by the Contractor.

12. The contractor will have to make his own arrangements for obtaining water to be used for the execution of the works or UPCA may supply water if available, for the execution of the work. UPCA may permit to contractor to install a borewell at the site at his own cost for the execution of work. In this case contractor will ensure compliance with the statutory requirements of the regulatory authority.
13. If for reasons of urgency, the work has to be executed at night, the contractor shall make his own arrangement for illuminating the site. Nothing extra will be paid for doing work at night.
14. The Contractor will have to make his own arrangements for arranging electricity if the same is required for illumination purposes or for running of any plant or machinery and nothing extra will be paid for the same. UPCA may allow electric power, if available, on actual electric energy consumption by putting a separate electric energy meter with due permission of UPCA.
15. All works executed under this agreement shall be maintained by the contractor at his own cost for a period of **24 (twenty-four) months** from the actual date of completion.
16. The contractor must take all precautions to avoid accidents by exhibiting day and night necessary caution boards, speed limit boards, red flags and red lights and providing barriers. He shall be responsible for all damage and accidents caused due to negligence on his part. No hindrance shall be caused to traffic during the execution of work.
17. Any damage done by the contractor or his work-men to any existing work during the course of execution of the work, tendered for, shall be made good by him at his own cost.
18. The Contractor shall maintain in good condition all work executed till the completion of the entire work allotted to the contractor.
19. The Contractor shall clean the site thoroughly of all rubbish etc. left out of his materials on completion of the work and roughly dress the site around the building line to the satisfaction of UPCA.
20. The Contractor, who is working in the establishments through Contract Labour and/or employing labour themselves directly should get themselves registered with the Assistant Labour Commissioner concerned as required under the Contract Labour (Regulation and Abolition) Act 1971 and obtain a license from the Assistant Labour Commissioner concerned and produce the same to UPCA, in compliance to above and the Conditions of Contract.
21. The Contractor shall be responsible for all applicable compliances for the execution of the work.
22. Completion drawings of all the completed works for showing the layout of the area with dimensions, slopes and details of the building, reinforcements used, pavement, drain, cable trenches, machine foundations, etc, shall be prepared by the contractor at his own cost and

- shall be handed over to UPCA within **30 days** of completion of the work or along with submission of the final bill (whichever is later).
23. If the UPCA is however satisfied that the work is not likely to be completed in time except by resorting to night work, by special order, the contractor would be required to carry out the work even at night, without conferring any right on the contractor for claiming for extra payment for introducing night working. The decision of UPCA in this regard will be final and binding on the contractor.
 24. The contractor shall give to the Municipality, Police and other authorities, all notices that may be required by the law and obtain all requisite licenses for temporary obstructions, enclosures and pay all fees, taxes and charges, which may be leviable on account of his own operations in executing the contract. He should make good any damage to adjoining premises whether public or private and provide and maintain any light, etc, required at night and no extra payment will be made on this account.
 25. The plea of 'Custom' prevailing will not on any account be permitted as an excuse for infringement of any of the conditions of the contract or specifications.
 26. The contractor shall maintain in a readily accessible place the first aid appliance including an adequate supply of sterilized dressing and sterilized cotton wool. The appliances shall be placed under the charge of a responsible person who shall be readily available during working hours.
 27. The contractor shall at all times be responsible for any damages or trespass committed by his agents and workmen in carrying out the work unless such trespass is authorized by UPCA at the site.
 28. The contractor shall take all precautions against damages from accidents, floods or tides. No compensation will be allowed to the contractor for his tools, plants, materials, machines and other equipment lost or damaged by any cause whatsoever. The contractor shall be liable to make good the damages to any structure or part of structure, plant or material of every description belonging to the UPCA administration, lost or damaged by any cause during the course of the contractor's work. The UPCA will not be liable to pay to the contractor any charges for rectification or repairs to any damages, which may have occurred from any cause whatsoever to any part of the new structures during construction. No claims in this regard will be arbitrable. The contractor shall bail out rain water collected during execution of work from the excavated trenches at his own cost. Nothing extra shall be payable on this account.
 29. The contractor at the scheduled date of start of work without limiting his obligations and responsibilities, shall insure the works at his own cost and keep them insured until the virtual

completion of the contract against all acts of God including Fire, Theft, riots, War, Floods, etc, with an Insurance Agency approved by Insurance Regulatory and Development Authority (IRDA) in the joint names of the employer and Contractor (the name of the former being placed first in the policy) for the minimum thirty per cent amount of the originally awarded contract value irrespective of revised/modified contract value later on. Such policy shall cover the property of the UPCA and fees for assessing the claim and in connection with his services generally therein and shall not cover any property of the Contractor or of any subcontractor.

30. The Contractor shall indemnify the UPCA against all claims which may be made against the UPCA by the member of the public or other third party in respect of works in consequence thereof.
31. The contractor shall have to provide a temporary site office with requisite furniture & appliances and a godown for storing/stacking construction materials at their own cost for which no extra payment will be made.
32. The contractors, in the course of their own work, should understand that all materials e.g. stone and other materials obtained in the work of dismantling and excavation etc. will be considered UPCA's property and would be issued to the contractor (if they require the same for use in the work) at the rates approved by the Engineer-in-Charge, as the case may be.
